

Please enter UWC via the main gate on Robert Sobukwe Road (see map at <https://www.uwc.ac.za/Pages/Campus-Location.aspx> ). There are also campus maps at <https://www.uwc.ac.za/Pages/Campus-Map.aspx>.

Pass through security and follow the road in the left-hand lane. At the first opportunity, turn left and keep straight, driving towards the Chemistry Building. Once you've gone over a speed bump turn right into the parking area and find parking.

Proceed on foot past the Chemistry building to the Life Sciences Building behind it.

Once you're through the main entrance of the Life Sciences building (on the side away from the mountain), turn right to find the Collaborative Learning Centre.
